DEDICATION

When Miss Beth McPeek came to Millikin two years ago she brought to the campus new inspiration and enthusiasm. In a short period of time she has had immeasurable influence on many students. In her role as Dean of Women, she has strengthened many organizations and aspired students to higher goals.

Her capability and sincerity have gained the respect of both students and faculty. Her wealth of ideas and understanding has been a constant invaluable source of guidance and information.

It is with great respect and admiration that we dedicate this year's Millidek to Dean McPeek.

THE FUTURE TAKES SHAPE

Each day we draw from the past and present to prepare for the future. Through the varied phases of college activity we prepare for responsible citizenship. This process common to all students has led us to build the 1963 Millidek around the theme "The Future Takes Shape."

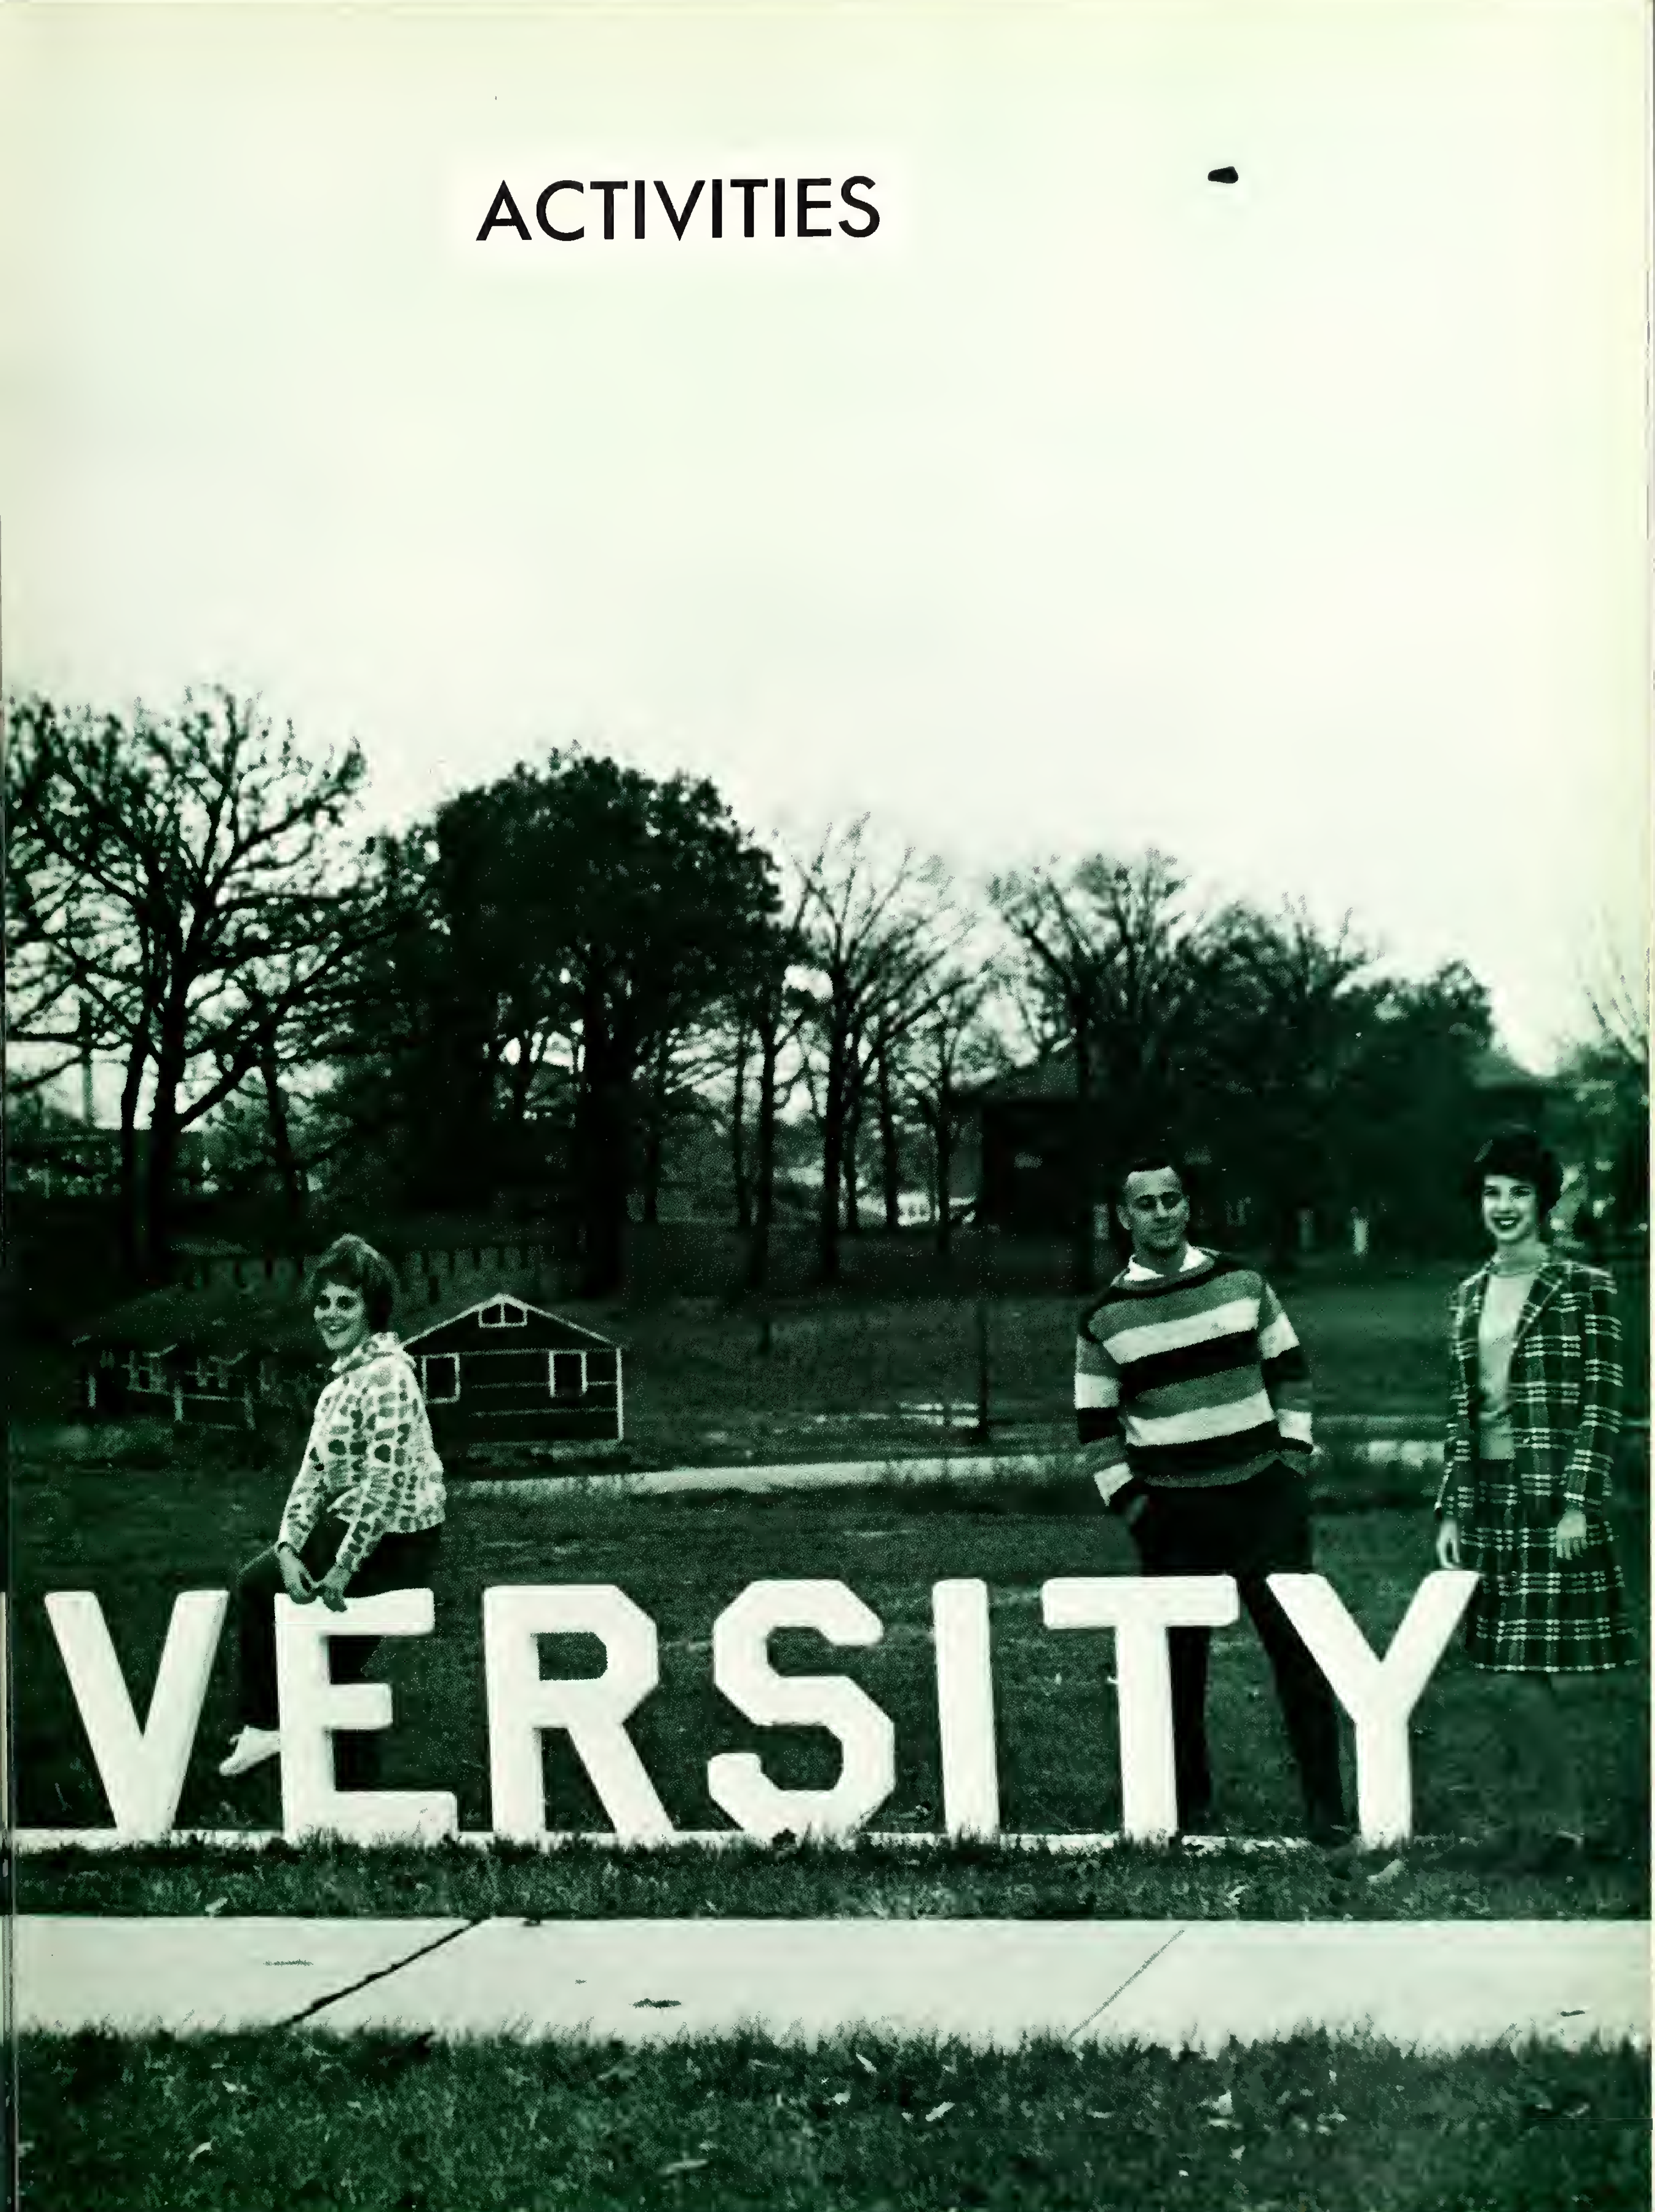
MILLIKIN UN

ACTIVITIES



I came prepared!

Co-chairmen Bev and Larry

"This Is Millikin" was the theme of Freshman Camp 1962 which was held September 8 and 9 at Allerton Park. Co-chairmen Beverly Bray and Larry Chapman directed this annual affair which gave all new students an opportunity to meet Millikin through worship, discussion and recreation. Camp 1962 was plagued by rain, but the familiar "ENTHUSIASM" was unhampered.

All Abaard!

But we don't want to get on . . .

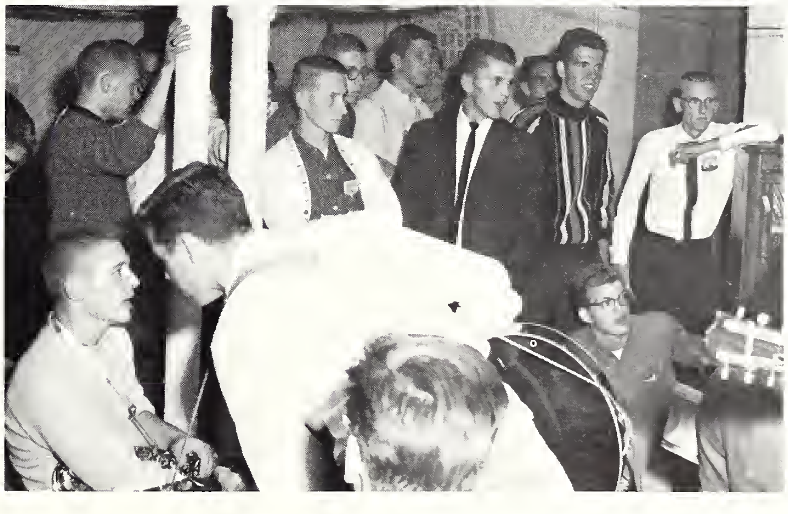
WOMEN'S RUSH

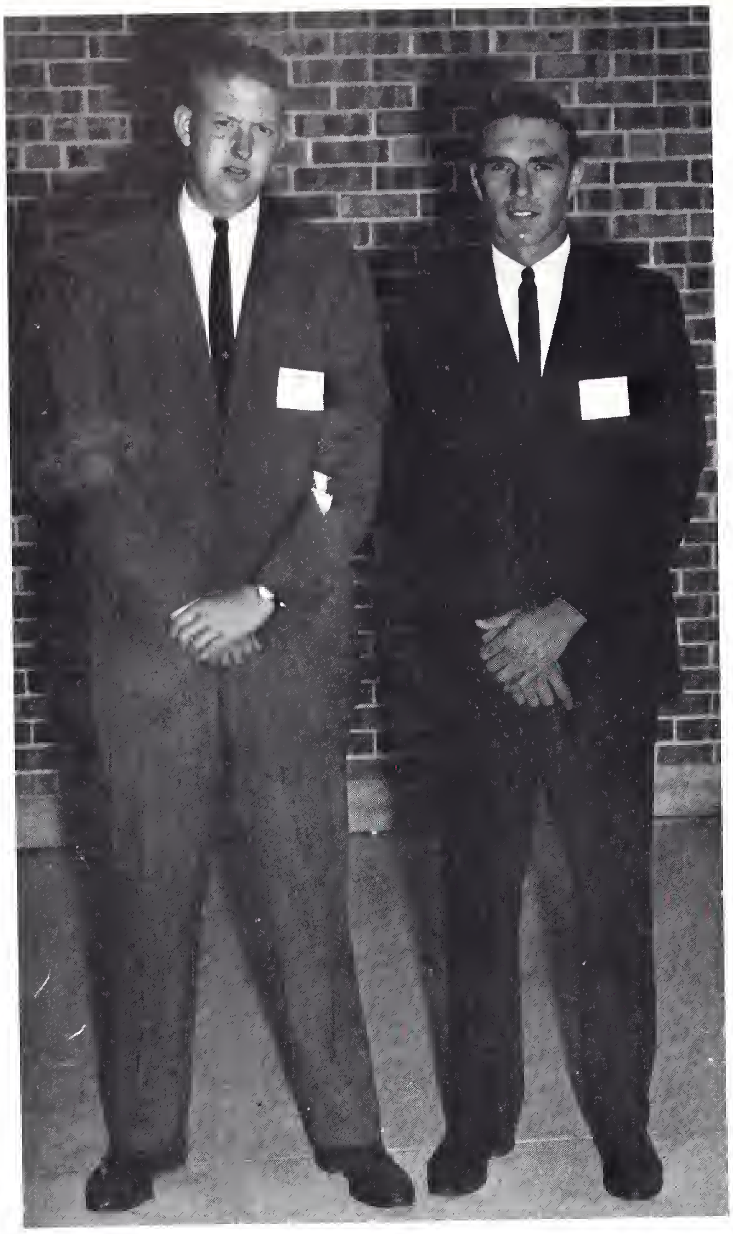
1962 Rush Week was held September 10 through 16. The rushees met the actives at parties of all kinds ranging from Gay 90's to Dreamland. Songs, refreshments, skits and conversation made every evening memorable and fun.

Men's Rush Week is less formal than women's rush. Millikin men go in for songs, conversation, and interesting extras. In addition, there are free meals and friendly greetings for all. The result . . . new brothers for each fraternity.

MEN'S RUSH



PARENTS' DAY



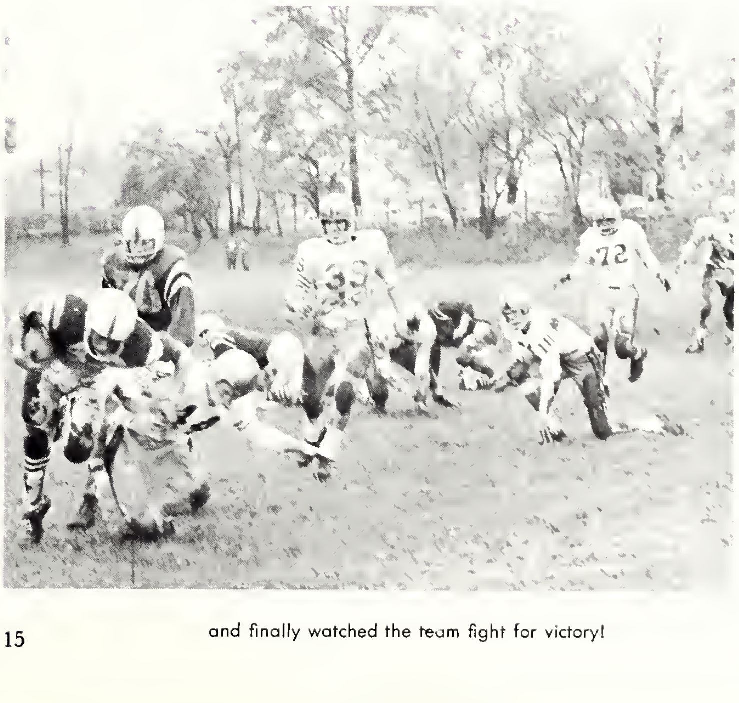
Co-chairmen Jack and Ray

The fourth annual Parents' Day was held September 29, 1962. Co-Chairmen were Jack Beadles and Ray Radliff. Many activities were planned for the parents — registration and coffee, faculty visits, campus tours, an assembly, and a Student Council — President's Reception in the University Center. At the assembly, President McKay, faculty members and student leaders interpreted the nature of Millikin's educational curriculum and activities to the parents. Parents ate lunch at the University Center or the various social organizations. The big event of the afternoon was the BIG BLUE'S football game. Augustana edged Millikin 14—13.

It began with a reception . . .

First we socialized . . .

Then fought for lunch . . .



and finally watched the team fight for victory!

ACTIVITIES NIGHT

Activities night offers everyone from freshmen to seniors an opportunity to sign up for the many organizations and activities on campus. This side of college life is equally important in shaping our future.

The Millikin Pep Club, newly formed in 1962, is in charge of raising Millikin spirit and creating enthusiasm. Under the direction of President Sarah Hitzeman and club advisor Pete Wincup, the group organized rallies and special cheering sections. Working closely with the Pep Committee were the cute and peppy Pom Pom Girls, also a '62 innovation.

Spirts were high at Millikin

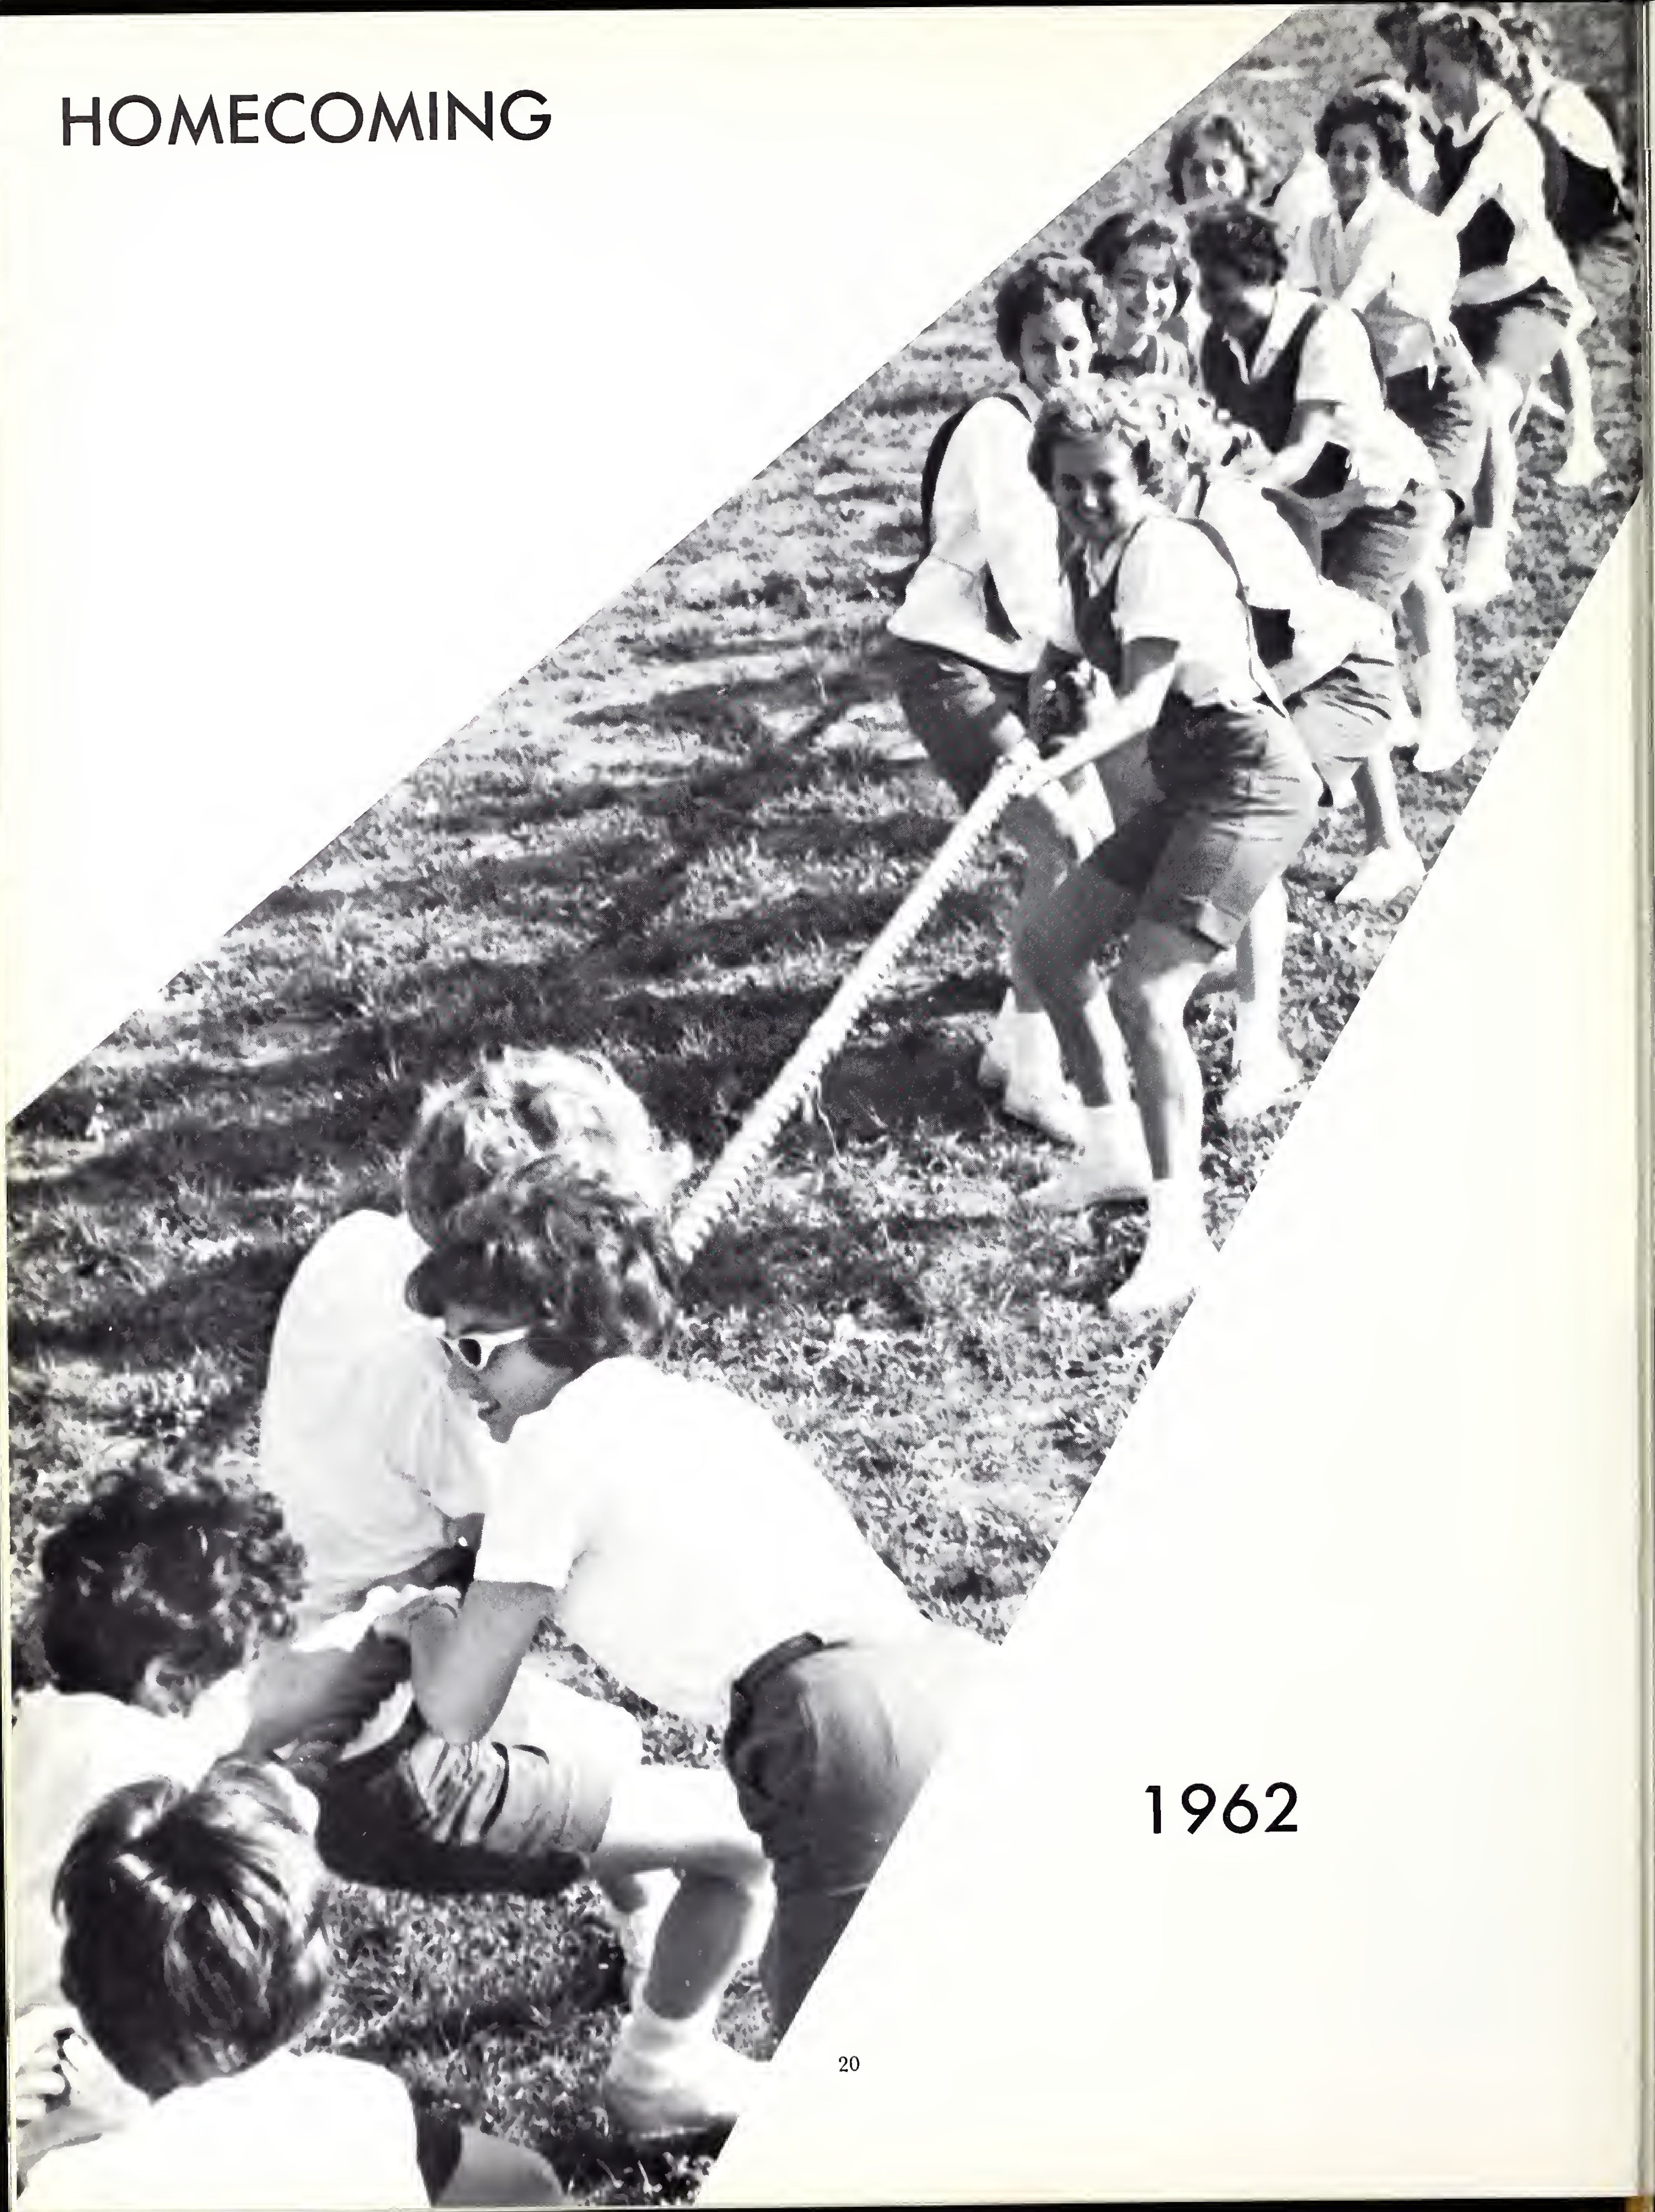
HOMECOMING



1962

"YESTERYEARS AT M.U."

Under the leadership of co-chairmen Sue Lindholm and Darryl Clausing, Homecoming 1962 was a great success. Built around the theme "Yesteryears at M.U.," homecoming week was full of fun, surprises, and renewed acquaintances.

The week's activities began with an enthusiasm-raising, side-splitting chapel. While upper-classmen worked hard on float decorations, the freshmen tried in vain to win the traditional Freshman-Sophomore games.

Friday night we all went West as the Homecoming show presented "Change in the Range." This year's show was a musical comedy contrasting Millikin as it is with Millikin as alums might expect it to be. The bonfire and pep rally followed. Standing in pouring rain, all cheered as Jan Steinheimer was crowned queen by Dr. Paul McKay, president.

Saturday morning the homecoming parade presented students, alums, and townspeople with bands and a great variety of floats. Saturday afternoon an enthusiastic crowd watched the Big Blue beat North Park for its first win of the season.

The weekend was climaxed Saturday night with the annual Homecoming Dance, with Les Elegart and his orchestra providing the music.

QUEEN JANET STEINHEIMER

Delta Delta Delta

Janet Steinheimer, senior from St. Louis, reigned as Homecoming Queen. She was crowned at the pep rally-bonfire, and was presented, along with her court, at the Homecoming dance October 20th. Active on campus, Jan served as a cheerleader for four years, and has been a member of the Student Council. She has been a Freshman Camp counselor, and has served as co-chairman of a Homecoming committee. Last year Jan was chosen to be in **Who's Who in American Colleges and Universities.** She was elected Sweetheart Queen her sophomore year, and was queen of the CCI Track Meet at MU last year. Jan ,an elementary education major, plans to teach upon graduation this June.

NATIONAL COLLEGIATE PLAYERS

National Collegiate Players is a national honorary dramatics fraternity promoting an appreciation of the drama. The Millikin chapter was founded in 1957. Membership is based on University classification and on points earned by participation in dramatic productions and from classwork in dramatics. This year, in addition to student members, the chapter initiated Broadway actor Bill Hayes, who starred in Town and Gown's production of "Romeo and Juliet." Mary Jo Steinbach is president of the Millikin chapter and Dr. Jere Mickel is chapter advisor.

Decaturian

And these are the people who published the 1962-1963 **Decaturian,** Millikin's weekly student newspaper. These are the people to whom the **Dec** was more than a weekly newspaper . . . it was their creation.

The **Dec** became their accomplishments, their mistakes, their bylines, and their opinions. Through them it became more than an activity — it became an effort in personal growth and learning. Through them the **Dec** attempted to inform, instruct, and entertain Millikin University.

Under the supervision of Editor Carol Allan, Business Manager Al Ritz, and Advisor Mr. Jerry Redford the **Dec** progressed and grew throughout the year.

PI BETA PHI

Officers: Linda Downs, Nancy McClelland, Nancy Rice, Judy Hutton.

The 1962-1963 school year proved to be quite successful for the Illinois Eta Chapter of Pi Beta Phi. The Pi Phis were very pleased to welcome their twenty new, enthusiastic pledges to the bonds of wine and silver blue.

As usual, the Pi Phis were extremely busy on Millikin's campus this year. Beverly Bray served as co-chairman of Freshman Camp, while Judy Hutton served as Social Chairman for Student Council. Beverly and Judy were re-elected to the position of cheerleading regulars; Linda Richardsan joined the squad as a regular; and Barb Carlin joined as an alternate.

Beverly Lenz was Campus Chest co-chairman. Linda Downs was a Co-editor of the MILLIDEK, and Julie Edwards was a representative on the Student-Faculty University Center Board. Nancy Rice and Roz Cardts were initiated into Pi Mu Theta.

The active chapter and the Pi Phi Alumnae Club worked together on the presentation of a style show which was held at South Side Country Club on November 16, 1962, from 2-5 p.m. Several of the girls, including Mrs. Cattle, were models, and other members of the chapter provided entertainment.

The pledges sponsored a pledge dance for the actives on November 17, 1962. The theme, The Sheik of ARROW B, was revealed to the actives on the pledge walk-out. A Christmas party and a date dinner highlighted the Christmas season.

The Pi Phis extend a most sincere thank-you to their housemother, Mrs. Guy Cottle, their faculty advisors, Mr. & Mrs. E. M. Edwards, and their chapter advisor, Mrs. J. Robert Hill, for giving the chapter their cooperation and inspiration this last year.

ZETA TAU ALPHA

Officers: Barb Bauman, Marianne Becker, Dianne Janssen.

Ending their fiftieth year on Millikin's campus, the Zetas returned to the busy college life of studies and activities. The year started off right when we won the coveted Achievement Award at the 1962 National Convention, and we pledged sixteen young women during rush.

Homecoming was hectic but most worthwhile since we won first place in the Women's Float Division with "Record A Victory." Karen Newcome did a marvelous job as co-chairman of the Homecoming show "Rhythm Ranch." Sue McWhirter, Karen Lepp, Carol Chapman, Martha Jordan, Carol Farkas, and Paula Craycroft all worked hard towards the success of Homecoming preparations. Carol Farkas represented Zeta Tau Alpha as our Homecoming Queen candidate. We were also very happy to celebrate our 50th anniversary at Homecoming time.

Many positions of leadership are held by Zetas on campus this year. Vicki Ewing was appointed as a member of the Religious Life Committee; Diane Jannsen and Carla Harrison were elected to Who's Who; Joan Gentala was song leader at Freshman Camp; and Diane Janssen is song leader of Sigma Alpha Iota.

Marianne Becker is treasurer of W.A.A., and she was also elected to Sigma Zeta. Marian Faser was editor of the **Student Directory.**

Our thanks are sincerely extended to our housemother, Mrs. Edna Houghton; our chapter advisor, Mrs. Dwight Nelson; and our faculty advisors, Mr. and Mrs. Jerry Redford.

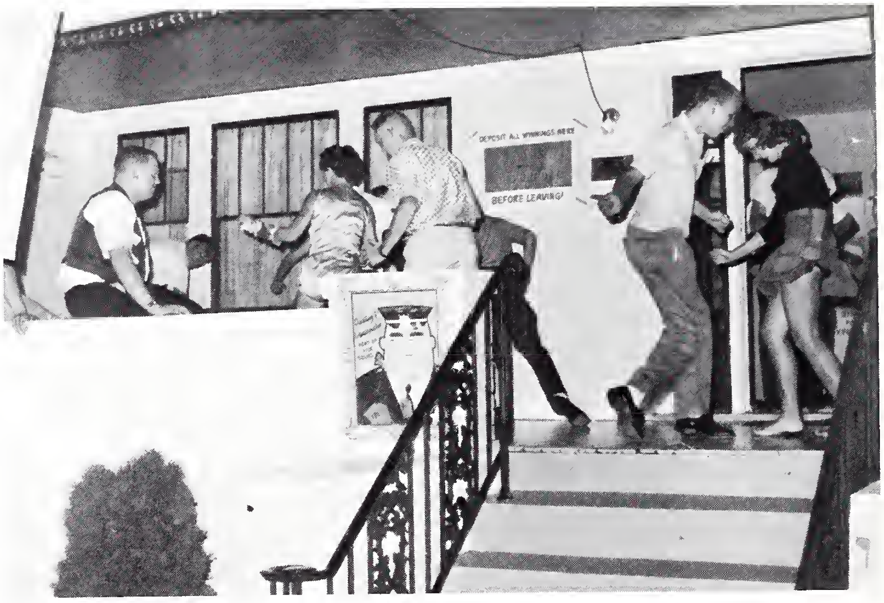
ALPHA KAPPA LAMBDA



The men of Alpha Kappa Lambda look back on this year with a memory of happy times and hard work. This milestone year — in March we celebrated the tenth anniversary of the Sigma Phi Alpha, our parent group, on the Millikin campus — found the AKLs enjoying that brotherhood and social life found only in fraternity life.

The year began with a fine group of new pledges. Numerous highly successful dances were held, such as the Hawaiian dance, the annual Go to Hell with AKL dance, and the formal, as well as informal parties, such as hayrides and our Christmas party. The year again closed with our highly successful third annual AKL Olympics Week, which ended with an all-school dance.

There was also increased participation by AKLs in campus activities and organizations. As this year ends, already plans are being made for our celebration next year of the fiftieth anniversary of National Alpha Kappa Lambda. With increased participation in university activities and a growing national fraternity, it can truly be said that "AKL is on the move."

DELTA SIGMA PHI

Delta Sigma Phi — The Fraternity of Engineered Leadership — spent the 1962-63 year in traditional successful fashion of leadership in campus activities. Al Ritz was business manager of the **Decaturian** and co-chairman of Student-Faculty Retreat.

Jim Bader was president of the junior class. Gary Brooks was president of the local chapter of Alpha Epsilon Rho and vice president of the national organization. Larry Chapman was co-chairman of Freshman Camp and president of S.E.A. Ray Radliff was co-chairman of Parents' Day.

The Delta Sigs continued their excellence on Millikin's athletic teams with lettermen in all sports.

Socially, we enjoyed the ever popular Sailors' Ball as well as many other dances and parties and other informal gatherings.

President Bob Martin and the other men of Delta Sigma Phi wish to thank our gracious housemother, Mrs. Harry Moothart; and our faculty advisor, Mr. Sappington, for the help they have given all of us.

SIGMA ALPHA EPSILON

Officers: Bob Armstrong, Dave Roth, Don Arenz.

The men of Illinois Delta chapter of Sigma Alpha Epsilon have just finished another rewarding year. When the 1962-63 academic year began, these men were greeted with a new housemother, Mrs. Ruth Barnes; a new faculty advisor, Mr. Anderson; and a new cook, Mrs. Mary Jordan. These people, a redecorated house and an excellent pledge class of 22 men effected a "new look" at the Sig Alph house. Having commenced the fall semester on such a pleasing note, we then began to explore the various frontiers of college life.

The first frontier, activities, was invaded by many Sig Alphs. John Staedke was elected president of the Student Council and a member of "Who's Who." George Browing, John May, Gary Watts, and Bill Epperson represented our house on the Student Council. When the results of the class elections were announced, four men had won offices: Larry "Ramsey" Hoffman, treasurer of the senior class; Jerry Imming, junior class vice president; Gerorge Browning, sophomore president; and Bill Epperson, freshman president.

In the realm of sports, we have many athletes including three captains: Craig Thies, football; Bob Armstrong, wrestling; and Tom McCawley, tennis. We also boast many other brothers in responsible positions, such as Sam McCluggage, business editor of the **Millidek.**

The fraternity as a whole showed its unity and creativeness in winning the Homecoming float award for its float, "The First Southern Fraternity Moves North to J.M.U." In addition to our political and athletic activities, we also sponsored many social activities including the "Polynesian Paradise" pledge dance, many record dances, the "Pajama Dance" and the Spring Formal.

Sigma Alpha Epsilon is presently tackling another frontier, improvement. Being aware of the evils of satisfaction, we are constantly striving to improve our collegiate chapter. Our first step in this direction was a week-end retreat at Allerton Park as an introspection of fraternity ideals and procedures.

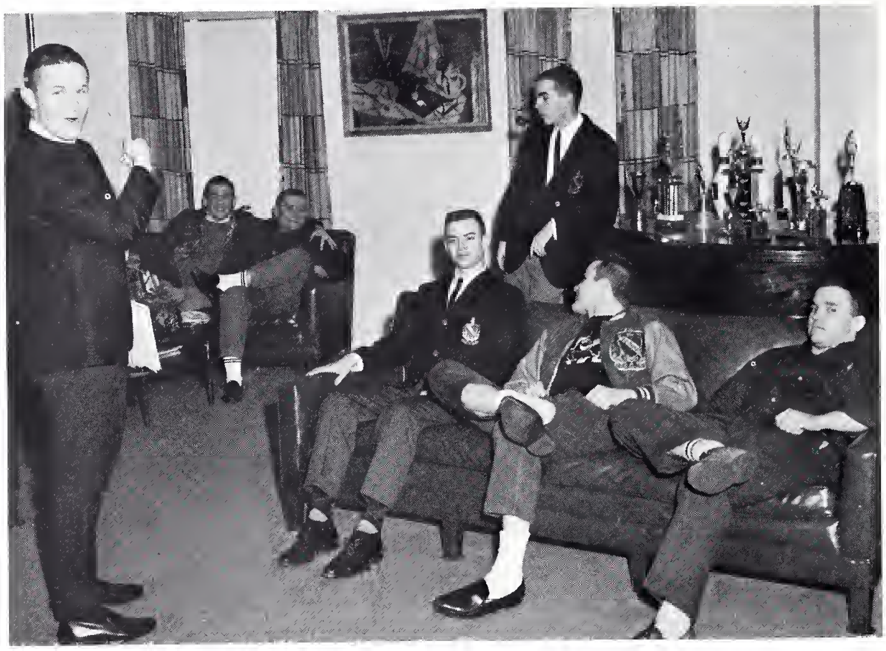
TAU KAPPA EPSILON



The 1962-63 school year proved another successful one for the men of Tau Kappa Epsilon. Many Tekes were active in several school activities. Darryl Clausing was elected president of the Senior Class and served as co-chairman of Homecoming. Jack Beadles was co-chairman of Parents' Day. Bill Haywood was president of Phi Chi Alpha and was elected to Phi Kappa Phi. Ken Steffan was elected Student Council president for the coming year.

Several Tekes played on Millikin's athletic teams. The chapter won the Campus Chest award for raising the most money at the carnival by their booth.

Exchanges, house dances and picnics led to a great year socially. All were well attended and enjoyed by all.

Led by President Jack Beadles, the men of Tau Kappa Epsilon wish to thank their housemother, Mrs. Gloria Graham, for her support and cooperation; their faculty advisor, Mr. Synder; and their cook, "Grandma Sloan," who finished her sixteenth year in her position.

SIGMA ALPHA IOTA

Sigma Alpha Iota, women's professional music fraternity, encourages musicianship on the campus, in the community, and throughout the world. Membership in the fraternity is based on musical and academic excellence.

Sigma Alpha Iota sponsors many worthwhile activities both on and off campus. This year SAI and Phi Mu Alpha co-sponsored Puccini's **Madame Butterfly** and the annual Lantern Parade honoring the graduating seniors.

I.S.A.

The function of the Independent Student Association is to provide social, governmental and educational opportunities for all independent students on the Millikin campus. All students hold membership in this association unless they decide to join one of the Greek social organizations. Neither attendance at meetings nor active support are required of the members of this association.

I.S.A. is directed by an Executive Board that consists of independent representatives to Student Council. The chairman of the Executive Board is William Sheppard.

This year the I.S.A. has sponsored several informal discussions, dances, and money making projects. At the present time it is in the process of organizing some debates with student and faculty regarding contemporary controversial issues.

Upsilon Epsilon Tau was organized on Millikin's campus in 1955. It underwent a reorganization this year; a constitution was adopted and it was re-elected to Student Council. Membership is open to all veterans at Millikin. This year twenty men were active members.

The men had a Christmas supper and gave Christmas baskets to two needy families. In May the Founder's Day Dinner was held. The VETs also had a float in the Homecoming Parade and sponsored a booth at the Campus Chest Carnival.

The 1962-63 cheerleading squad was chosen by the student body early in the school year at the annual cheerleading assembly. Returning to the squad as regulars were Beverly Bray, Loretta Cearlock, Judy Hutton, and Janet Steinheimer. New on the regular squad this year were Joan Alfeld and Linda Richardson. Elected as alternates were Linda Bruninga, Barbara Carlin, and Lois Richie.

This year the cheerleaders conducted eight cheerleading clinics for all girls interested in trying out for the 1963-64 squad.

The cheerleaders were also greatly helped this year by the newly formed Pep Club.

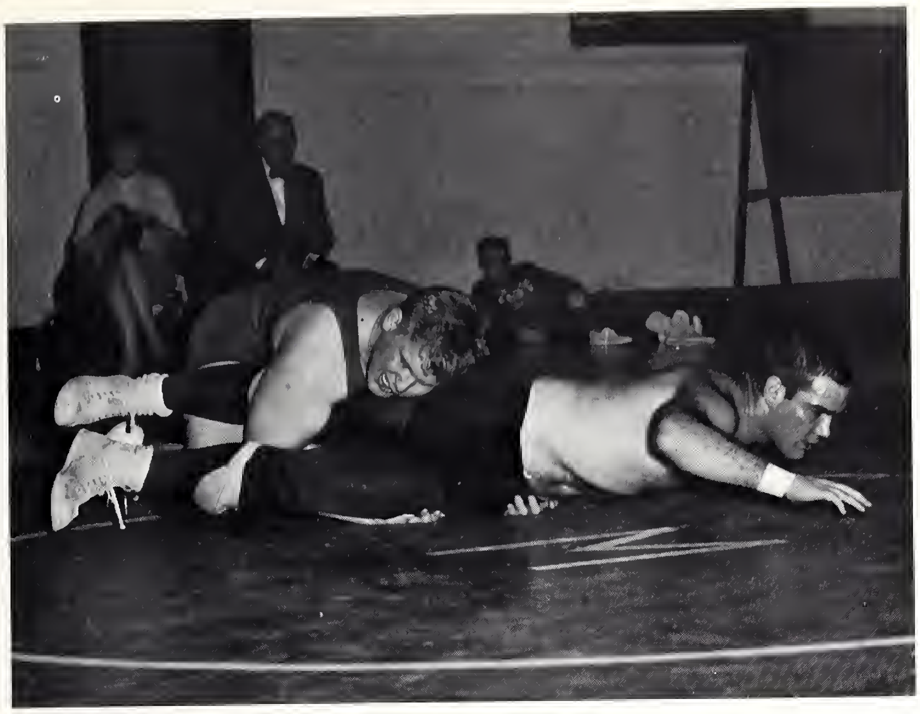
The Wrestling team had a very fine year with a record of 6—2—2 in dual matches and a 5th place in the Knox Invitational and a tie for 2nd in the Millikin Invitational.

In the Conference Tournament, the Big Blue finished third. Bob Armstrong, Doug Zemke, and Craig Thies were first-place winners in their respective classes.

Coach Henry Moy, in his first year as head coach, is already looking forward to next year's schedule. He will have most of the boys back next season.

WRESTLING



CROSS COUNTRY

ROW 1: Mark Cannon, Larry Barry, Ken Spitzer, Mike Fike, Rich Henke.

Under the direction of Coach Ralph Allan, the Cross-country team had another fine season behind the running of Larry Barry and Ken Spitzer and a host of fine underclassmen.

The team was unsuccessful in defending their conference championship of last year as they ended up second in the conference meet.

The team was without the services of last year's Captain, John Staedke.

FOOTBALL

Fred Will, in his first season as head football coach at Millikin, had many frustrating moments during the first half of the Big Blue's schedule. Getting off to a sluggish start against Normal, the Big Blue sustained many injuries that sidelined key players in Millikin's attack.

Millikin showed promise in the game against Augustana, but time ran out and the score stood 14—13, with the Big Blue down by one.

For the next two games, Millikin's offense and defense sparkled, but they couldn't put the two together.

Finally the psychology wore off, and Millikin got its first victory of the season by trouncing North Park 21—0 with the largest crowd of the year in attendance.

Millikin was rolling hard and in the end, North Central, Illinois Wesleyan, and Lake Forest lay in the wake of a determined football team.

It is by no means an easy task to take over a team that has won the conference championship the previous year. Everyone expects another perfect season. It is even a harder task when defeat comes; the team and coaches must start all over again. Fred Will and his staff did a tremendous job in coaching the football team this year, and Millikin can be proud of them and of the players who worked so hard.

BASKETBALL

The Big Blue got off to a fine start this year thanks to mentor Don Williams, who has just come to us this year from Florida. Coach Williams had an unusually fine record as a high school basketball coach, and has come to Millikin to try to raise the standard of basketball at the University. Earl Dewerff, Steve Hengst, and Captain Don Walker, all seniors and veterans, leading the way, Millikin scored a victory in its first encounter over Illinois College. However, the Big Blue had its trouble during the season, producing an uncomparable offensive threat one time, and giving creditable defensive effort another game, but never seeming to be capable of combining the two. Thus, the team's record is not really indicative of their performance for the season.

There have been several bright spots this year of which the players and coach can all be proud. The first occurred when the Big Blue defeated Eastern 82—79, and the second game only four days later when they trounced arch rival Illinois Wesleyan 94—62 after suffering a loss by 29 points earlier in the year to the same team. That was Millikin's first victory over Wesleyan in five years.

Millikin and Coach Williams have two freshmen, six sophomores, and four juniors for next year's nucleus, indicating a bright future for the Big Blue.

Freshmen Gary Bourne and Rich Steele plus transfer Sam Coldren supplemented the team. The netters started slowly, suffering four consecutive defeats, but then bounced back with a successful season finishing fourth in the CCI conference meet. Next season looks promising, due to the increasing interest and enthusiasm in tennis.

The 1963 golf team improved greatly from the 1962 record. Coached by Don Williams and led by Dan Garver and freshman Dennis Sweeney, Millikin's most consistent men, the Big Blue recorded an 8—4 record, and placed sixth in the rain-plagued CCI conference meet. Ed Kaufman was re-elected captain of the 1964 squad, which should equal, if not better, this season's performance.

Hindered by the resignation of Coach Henry Moy only a week before the first game, the Big Blue nevertheless placed fourth in the CCI under the direction of Coach Gerald Waldera. Returning lettermen were co-captains Vern Gurley and Larry Chapman, Chuck Siebel, Rich Henke, and Jerry Imming. M.U. had to depend heavily on freshmen Gene Velchek, Dan Jones, Homer Tipsword, Ron Milligan, and on transfer John Helm and Ken McGhie. John Helm was the team's leading hitter with an average of .357 and was elected Most Valuable Player. Next season's co-captains will be John Helm and Tom Bohlow. The only lettermen lost will be Vern Gurley and Larry Chapman, so incoming coach Harold Bishop should have a top contender for the 1964 CCI championship.

Congratulations to Millikin University Class of 1963

Building the City in its varied aspects is the job of the Association of Commerce of Decatur, Illinois.

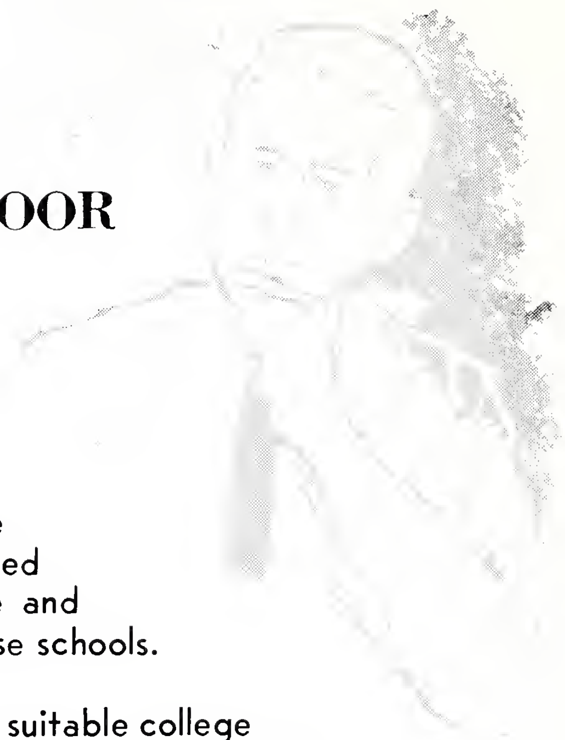
During your student days at Millikin, you will, perhaps, have noted how some phase of the Association's "City building program" unfolds. How a "program of work" on paper leads to constructive action resulting in expanded industry and commerce, new streets, new schools and churches, new homes for families . . . all those elements which make up a liveable city.

Men and women who share advantages of university education, such as you have had at Millikin, need to help share the larger responsibility to help build the communities in which you may live. Your experience and knowledge gained at Millikin University has prepared you to assume this task wherever in the world you may be. In so doing you will share in the broader friendships and experiences of those who are builders of cities and of men.

World developments demand intelligent solution to all those who must live as free men, in free cities, in a free world.

University men and women, you are challenged to the responsibility to provide such leadership in the spirit of your alma mater — Millikin University. Best wishes and good luck!

WILL THIS COLLEGE DOOR BE KEPT OPEN?



Within a few years, twice as many students will be entering American colleges and universities. Many of these young men and women will find crowded conditions at the schools of their choice and may even find it impossible to attend these schools.

It is not unusual to find parents looking for suitable college arrangements for sons and daughters who are just entering high school.

The Millikin Class of 1963 is joining the alumni ranks. Your basic education is behind you. Your future is bright with many opportunities.

During your four years at M.U., you have paid approximately sixty per cent of the actual cost of your education. Millikin has paid the rest.

Where did this "wonderful forty per cent" come from? It was available to you largely because Millikin alums have developed an outstanding record of financial support for their alma mater.

You, too, will be called upon to support Millikin. When that call comes, consider your good fortune in being educated in the college of your choice, and help make Millikin available to other young men and women in the future.

for your hands . . .

It's a big, wide, wonderful world and we give it to you with our blessings. Our fathers gave it to us a generation ago. They told us it would be what we chose to make of it.

They made it very plain that an education didn't entitle us to any more of this world than anyone else; merely that with an education we'd be better equipped to face it, meet its challenges.

Our fathers told us we'd stand a better chance with an education, and that we'd get more out of life. It was true then, and it's still true now. And then, as though sensing an unspoken thought, our fathers added another word of caution.

"Nor is an education a substitute for hard work," they smiled. "It's just a great help in that work."

We offer you the same words as those we received. We offer you the same world, slightly changed, but essentially intact. It's for your hands to improve.

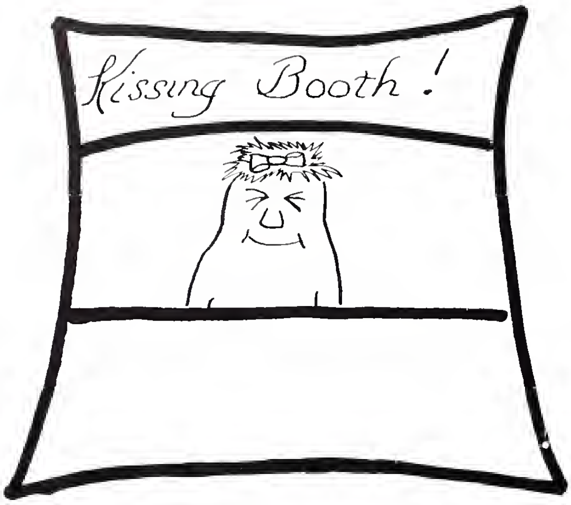
CAMPUS



Kissing Booth!

The theme of Campus Chest 1963 was "Go wild, Campus Chest!" This theme framed a frantic week of fun designed to raise money to send three Millikin students to Ecumenical Work Camps across the world. The week began with a concert from the Millikin University Jazz Lab Band. Directed by co-chairmen Bev Lenz and Jim Bader, Campus Chest Weekend included many new events. Throughout the week, students sent each other singagrams. The Friday night carnival drew a big crowd to participate in such activities as the organizations' booths, auctioning of girls, a silent auction of gifts, a kissing booth, and a twist contest. The Saturday night dance was highlighted by the announcement of the winners of the Beauty and the Beast contest.

An obvious success!

And what am I offered for **this** MU beauty?

See — we **told** you Campus Chest was fun!!

R.E. WEEK

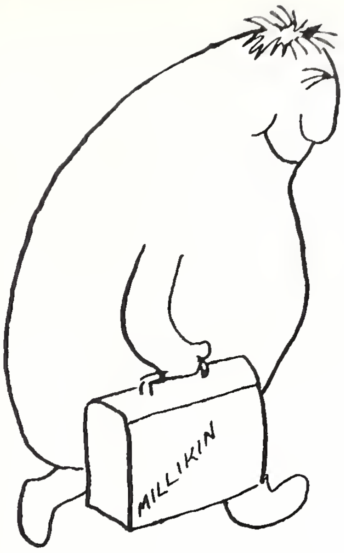
Religious Emphasis Week, February 18th through 23rd, was organized very well by Co-chairmen Libby Scweigerdt and Sue Munsie. The guest speaker for the week was the Reverend Ben Richardson, Director of Remedial Services and Associate Pastor of Erie House, Chicago. Reverend Richardson was widely acclaimed by students as one of the best and most dynamic personalities to visit our campus. The week's discussion centered around the theme "Search for Self," including three divisions of concentration: intellectual self, creative self, and spiritual self. A highlight of the week was the Choir concert, consisting of inspirational readings, hymns, and anthems. The week ended with the Dedication Service at which Reverend Richardson spoke on "A Faith in Deed." Students were left with the thought: "Examine yourself — whether ye be in faith."

"Reverend Ben" with co-chairmen Libby and Sue.

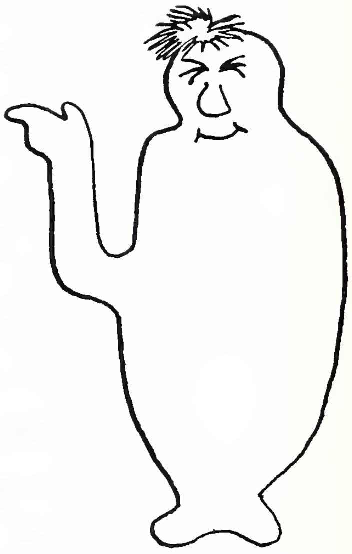
Reverend Ben made us think about lots of things.

GREEK WEEK

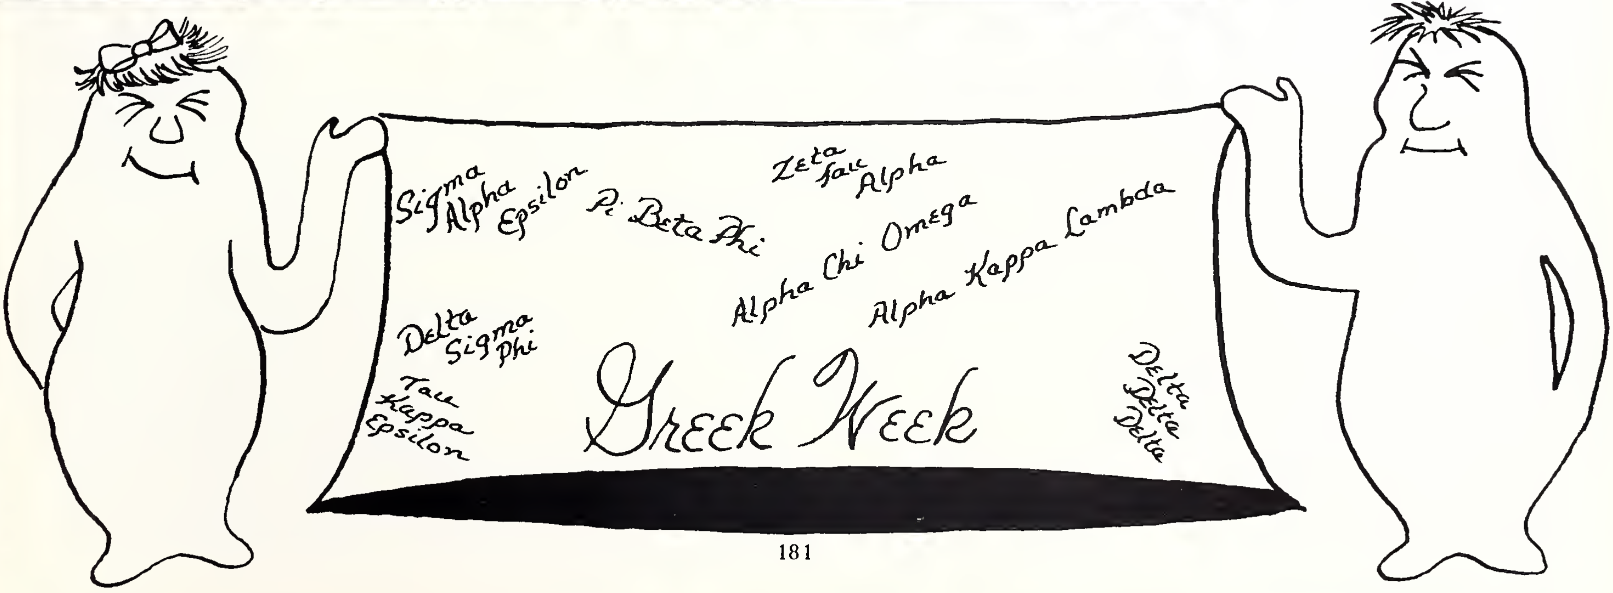
The eight fraternities on the Millikin campus voted to replace Greek Sing with a new activity — Greek Week. The purpose of Greek Week was to examine the fraternity system and attempt to improve that system by exchanging ideas and by showing that Greeks as a whole can be of service to the entire community. Highlights of the week were: an exchange of members; a picnic with guest speaker George N. Kollintzas, Dean of students at Loyola University; discussions and exchange of ideas conferences; Work Day at various charities and Decatur hospitals; a talent show followed by progressive parties; and a banquet on the last evening of the week. The fraternities were well pleased with the week and enthusiastically hope to establish it as a Millikin tradition.



We had an exchange of members



Look at 'em snake!



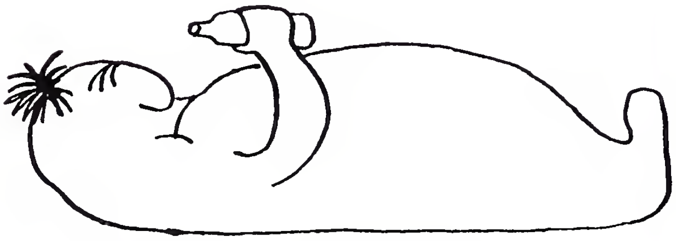
ANNUAL AKL

The third annual Olympics Week, sponsored by Alpha Kappa Lambda, was held in May. During the week the members of all four sororities were in hot pursuit of the hats worn by all AKLs. The trophy for the hat grab event was won by Pi Beta Phi. The games were held Saturday, May 8th, and the girls found themselves with quite an audience to witness their frantic attempts to win events from musical buckets to pole races. The week was culminated with an all-school dance Saturday night, at which Pi Beta Phi was presented with the games trophy. Linda Downs, candidate from Pi Beta Phi, was also elected Olympics Day Queen at the dance.

Who says girls can't run?

Three socks and four girls definitely make for coordination!

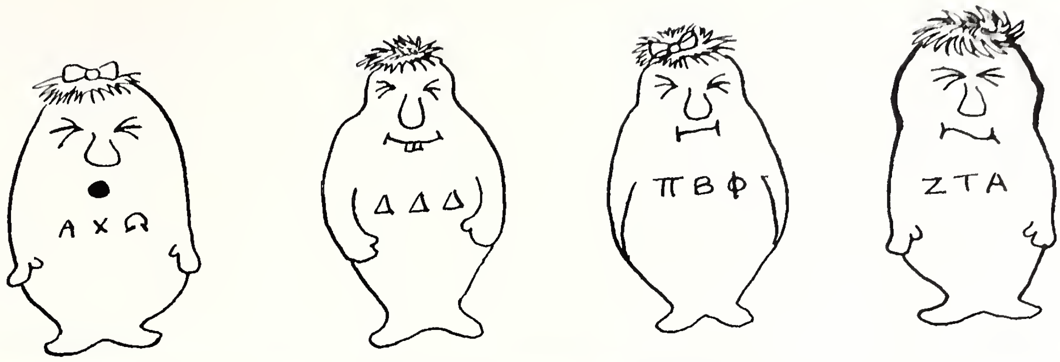
Musical buckets huh? — We'll see!



I don't care if we **do** lose — I can't drink another ounce!

Catch him — he's falling!

OLYMPICS WEEK



Did you ever see a more likely group of true athletes?

To think — these little old hats would cause so much trouble!

It's about these eager-beaver bicyclers!
